**Washington, Dec. 14.—**

Allen W. Dulles, head of the Central Intelligence agency, ~~tells of the Russian who re-~~ appeared in Moscow after an absence of 15 years and explained that he had been in prison for saying Joseph Stalin was a fathead. This story is being told in Russia under the de-Stalinization program.

"That's a long sentence for criticizing the leader," a sympathetic friend told him.

"Oh, I got only a year for that," Ivan replied. "The other 14 years was for revealing a state secret."
